Hi Team,

I see that the Deschutes TMDL briefing for Chris has been pushed back until June 4th. Are we comfortable waiting until June 4th to brief the RA while still meeting our June 29th deadline? I think we should build in enough time in our schedule to change direction in case we receive pushback from decisionmakers on our recommended path forward – is three weeks enough? I'm more concerned about pushback from David Ross and Matt Leopold than from Chris, but I assume we'd want Chris to be fully briefed by the time we brief David Ross and Matt Leopold.

Thanks,

Leah
